

CROSBY FOOD CO.

CANADA'S TRUSTED
FOOD MANUFACTURER
SINCE 1879

For five generations, our family owned, trusted food manufacturing company has been supplying Canadians with quality foods. Since 1879, Crosby's molasses has been a staple in Canadian households while brand owners and retailers nationwide have entrusted Crosby's for product development, contract and private label manufacturing of dry powder blends, dry sugar blends and liquid blends.

Crosby Food Co. is committed to offering food with real ingredients. Be it convenient formats, powdered or functional drinks or nutritive sweeteners, our food manufacturing expertise will ensure quality and safety for the conscientious consumer. With vertically integrated operations, from food grade liquid bulk storage to break bulk and multi accredited co-manufacturing capabilities, we optimize supply chain and ensure food production safety.
